

A Prayer for Healthcare Providers and Other Essential Service Workers

Lord, we thank you for all who dedicate themselves to the study and practice of healing.

Bless pharmacists, physicians, nurses, technicians and all others who minister to the sick and suffering during the COVID-19 pandemic.

Grant them patience, skill, sympathy and wisdom.

Give them strength when they are weary, hope when they despair, faith when they doubt, and light when they stand in darkness.

Keep them and their families healthy and safe.

Provide them with the supplies and resources necessary to care for others and themselves.

Guard and protect all who work in emergency services, grocery stores, warehouses, couriers, delivery drivers, those who collect garbage and recycle, and others deemed essential service providers.

Bless them and keep them, let your face shine upon them, be gracious to them, lift your countenance upon them, and give them peace.

All this we ask in Jesus' name. Amen.
